Stick pad
firmly onto
the panty

Remove release
paper from
wings

Wrap them
around both sides
of panty and
press firmly

Wrap used
napkin in paper
and throw
into dustbin

Do not flush

Hygiene

Periods are an integral part of a woman's life, and so are sanitary pads! While on a period, a woman experiences discomfort, irritation & menstrual pain. Sanitary pads are the safest, comfortable & an effective medium to address the hygiene issues; a solution that will not stop them from going out & living their life.
